The Minister of Housing and Urban Development informs researchers and institutions involved in the area of urban development, and the large public that under the high patronage of the President of the Republic of Cameroon, his Excellency Paul Biya, and in collaboration with UN-Habitat and the University of Ottawa, Cameroon will from December 12 to 14, 2017, organize the second International Conference on Canadian, Chinese and African Sustainable Urbanization (ICCCASU II – Yaoundé 2017) under the theme "Smart Urban Development: from Local to Global Actions".

Proposals for presentations on this central theme will be appraised in the following seven thematic sections : smart urban development globalization and localization contexts ; cities, climate change and environment ; innovation, research and socio-technical development ; social-community urban dynamics ; urban security and land issues ; implementation of the New Urban Agenda ; urbanization issues : urban development challenges in Africa. These sections are open for possible cross-fertilization and special activities.

The latest deadline for online submission of a 250 word-summary is slated for October 31, 2017.

The acceptance decision on the proposal will be issued 3 (three) weeks after submission. Please refer to the following web sites for details : <http://www.minhdu.gov.cm> , <http://www.iccasu.org> , contact the Studies, Planning and Cooperation Division of the Ministry of Housing and Urban Development at the Ministerial Building N°1.
